Invitation to the conference of the feminist parties of Europe

As we have learnt about the incidents in case of Pussy Riot we want to express our gratitude for their fight for feminist concerns. Please notice the solidarity of the executive committee of the Feministische Partei DIE FRAUEN – Germany's feminist Party.

Together with the other feminist parties of Europe we will have a conference in Munich on August 18th. We want to give support to every group of feminists with the intention of founding a feminist party in its country. We think, the time is ripe also for a feminist party in your country. So, you are invited to take part in this conference as well.

Time: Saturday, August 18, 2012, 10 – 18, (subsequently public event at 19:30)

Location: Munich, Germany, EineWeltHaus, Schwanthalerstrasse 80

With feminist solidarity
